## It's News Here!

### Three Escape from Camp Lehman

Three Camp Lehman inmates, including one sentenced to life in prison for murder, escaped from Camp Lehman last week.

Jose Mares, 31, convicted of second-degree murder 12 years ago, was found missing from the minimum-security work camp Thursday. Mares is Mexican, 5'8" and 155 pounds with black hair and brown eyes.

Dan LaDesma, 21, of Port Huron, and Robbie Goff, 22, of Pontiac, escaped Saturday. LaDesma is a white male, 5'11" and 145 pounds with brown hair and eyes. Goff is a white male, 5'11" and 169 pounds with black hair and brown eyes.

### Grayling Police Nab Escaped Felon

Grayling City Police arrested an escaped felon from Ionia Prison and Grand Rapids Correctional Center Friday, July 19, near the 7-Eleven Store in Grayling. The police were assisting a stranded vehicle when a check revealed an occupant, John Gugin, 23, of Roscommon, was wanted for escaping prison. He was arrested about 1:20 a.m. and state corrections workers picked him up at the county jail.

### Former Dial-A-Ride Director Sentenced on Embezzlement Charge

Chester Johnston, the former director of the Crawford County Dial-A-Ride, was sentenced to five years probation, six months in the county jail, and was ordered to pay \$500 in costs and serve 500 hours of community service for a charge of embezzlement.

Judge William Porter sentenced Johnston in Circuit Court Monday, July 22. Charges of forgery, uttering and publishing, and false pretenses were dismissed.

### Thursday Unlucky for Motorists in City

Five personal injury and one property damage accidents were reported within four and a half hours on the I-75 business loop in Grayling last Thursday. Grayling City Police, the Crawford County Sheriff Dept., and the ambulance corps assisted at the accidents and transported nine persons to Mercy Hospital. Three citations were issued for failure to stop within a clear distance and one citation was issued for not wearing a seat belt. The person not wearing the seat belt was injured in the accident.

### Kids' Section Planted with Trout

The Grayling Fish Hatchery Kids' Section was planted with more than 130 trout last week. It was the third plant of fish this year with more than 500 trout released in the stretch on the East Branch below the fish hatchery and above the mainstream. Trout Unlimited donated the money for the trout planted in the section. Workers from the Grayling Fish Hatchery, which has attracted 23,500 persons this year so far, planted the fish.

### Riverboat Regatta Sunday, Aug. 18

The Riverboat Regatta will begin at 1:00 o'clock Sunday, August 18th at Stephan Bridge. A potluck dinner will follow the Regatta at Wakeley Bridge. For more information call Dave Wyss at 348-3203.

### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 31 July 85 thru 7 August 85.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 3 August 85 and cease at 12:00 PM 7 August 85.

The Mortar Range located south of Main Post, bounded on the west by Cadillac Rd and on the east by Carrier Rd. Firing will begin at 8:00 AM 3 August 85 and cease at 12:00 PM 4 August 85.

The Demolition Ranges located south of Howe Rd, west of the Crawford County Line, north of Daniels Rd and east of the gas pipeline. Firing will begin at 8:00 AM 3 August 85 and cease at 12:00 PM 7 August 85.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail. Firing will begin at 8:00 AM 3 August 85 and cease at 12:00 PM 7 August 85.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM 31 July 85 and cease at 12:00 PM 7 August 85.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## White Pine Campground Closing Eyed by DNR

A committee to solve use problems at White Pine Canoe Campground along the AuSable has been called for by the Crawford County Board of Commissioners.

Commission chairwoman Mary Harland asked commissioner Larry Mattis and representatives from property owners near the campground, canoe liveries, South Branch Twp., and the DNR to meet to try to work a solution to misuse of the campground.

The call for a committee came after the DNR informed the commissioners they are studying a proposal to close the campground.

The DNR said if they decide to close the campground, it would not be until after Labor Day weekend. They also said if the campground is closed, the canoe campers would be directed downstream to Rainbow Bend Campground.

Nineteen property owners near the Campground signed a petition sent to the DNR requesting the campground be permanently closed. They listed the following five main reasons for their petition:

- 1) Vandalism of our property by campers.
- 2) Intimidation of owners by campers (actually being shoved off the road by campers in trucks going down to the camp site).
- 3) Overcrowding of camp facilities causing campers to park on road, thus blocking access to our cottages.
- 4) No supervision of camp site, causing destruction of public property.
- 5) Loud and noisy parties, many times lasting all night, with guns being fired.

Six other South Branch property owners sent a letter to the county commissioners opposing the closing of the campground.

They feel closing the road to the campground for public use and better law enforcement on weekends may be a better solution to the problems.

Jack Trudgeon, of Borchers Canoe Livery, said in a letter to commissioners the "single most effective measure to separate party people from campers would be to eliminate all vehicles from White Pine — positively no parking of vehicles or access of unauthorized vehicles." He said keeping White Pine open is necessary for the number of people who want to canoe and camp.

Mike and Kathy Lovely, of Carlisle Canoe, said in a letter to commissioners that the majority of canoeers that take an overnight trip prefer to stop at White Pine. Their records indicate 89 percent of their overnight canoeers use White Pine.

"Closing the White Pine Campground is not the solution," they said. "Turn this situation around and encourage the tourist trade to improve the economy in this great area."

Allen Carr, of Carr's Canoe Livery, also wrote to commissioners telling them the area needs White Pine and offering alternative suggestions instead of closing the campground.

Joe Wakeley, of Jolly Redskin canoe livery, said the road open to the campground causes 99 percent of the problems. He suggested setting a meeting between representatives of the parties involved and the commission followed his recommendation.

Hal Southard, of Ray's Canoe Livery, was also at the commission meeting last Thursday and he agreed the road was the main reason for trouble at the campgrounds.

## 85 - 86 School District Goals Adopted by Board

The Crawford AuSable School Board of Education, with new members Donna Lehto and Rodney Lobsinger, adopted district goals for the 1985-86 school year. The following goals were given high priority:

### BUSINESS

A. Present a bond issue to the voters for approval of reconstruction/renovation of the middle school, renovation of the middle school gym, new construction joining the two buildings and renovation and creation of additional space at the Grayling Elementary School and complete all succeeding phases of planning and action following passage of the issue. Following the election, will review the issues of improvement of the physical landscape of the elementary school playgrounds and outdoor athletic facilities. (High Priority)

B. Evaluate district-wide maintenance and custodial services, determine adequate levels of service and implement a plan for meeting needs. Continue in-service begun summer 1985 and evaluate supervision of custodial and maintenance services by middle management and make recommendations regarding supervision to the Board of Education. (High Priority)

D. Develop a public awareness program to encourage active utilization of the district escrow account for scholarships. (High Priority)

### PERSONNEL

A. Develop and implement a planning process for the purpose of designing in-service training activities related to high need areas of performance for appropriate staff members. (High Priority)

### CURRICULUM

A. Evaluate district reading criterion

referenced tests with regard to the newly adopted HBJ Reading Criterion Referenced Tests and develop a recommendation for use of either or both testing series. (High Priority)

B. Continue to actively work to improve methods of recognizing students for academic excellence. (High Priority)

C. Implement revisions in the adopted K-8 computer education curriculum and complete curricular development of a fully articulated K-12 curriculum in computer education. (High Priority)

D. Complete the implementation process for computer assisted instruction in appropriate curricular areas. (High Priority)

E. Evaluate the feasibility and advisability of pursuing formal accreditation at the Middle School and Elementary levels. (High Priority)

G. Complete and submit application for designation as an exemplary high school. (High Priority)

H. Implement and evaluate the newly adopted and implemented aspects of the K-12 language arts curriculum. (High Priority)

## Winger Aces Eighth Hole

Christopher Winger, of Grayling, hit a hole-in-one on hole number 8 at the Grayling Country Club Sunday, July 21. Winger used a number seven iron to record the ace. He shot a par 36 for the round. Hal Leas witnessed the shot.

## Stocktons Give Guttery Performance To Win 38th Canoe Marathon

Butch and Brett Stockton continued their winning ways taking first in the 38th Annual Budweiser AuSable River Canoe Marathon last weekend.

Butch Stockton, 35, won the 200-mile race for the fourth consecutive time — a feat equaled only by one other paddler, Jerry Kellogg from 1972 to 1975.

Brett Stockton, only 22, captured his third marathon victory putting him ahead of the pace set by Ralph Sawyer, the all-time career marathon point holder.

Butch, of Roscommon, and Brett, of Grayling, finished in 14 hours, 35 minutes, and 53 seconds. Tony Short, 21, of Bay City, and Steve Peterson, of Coon Rapids, Minnesota, took second at 14:43:16. Dave Shepherd, of Grayling, and Rick Joy, 25, of North Branch, came in third at 14:55:42.

The three top teams were within thirty seconds of each other at Alcona Dam, more than eight and a half hours into the race. The dam portage site was the first main viewing spot after dawn and the close race between the top three teams at that point was one of the most exciting parts of the race.

Short and Peterson exchanged leads with the Stocktons until the Loud Dam pond. There the Stocktons took a shallower but shorter route that helped them to a minute and a half lead by Loud Dam. Butch Stockton said he and Brett had to paddle harder in the shallow water but the shortcut paid off.

By Five Channels Dam, Stocktons increased their lead to three and a half minutes over Short and Peterson. Their lead was about six minutes at Cook Dam and eight minutes by Foote Dam.

Butch Stockton said his fourth victory was the hardest. By Wakeley Bridge he started feeling sick to his stomach and had some dizziness. The 1985 champion said he felt so bad by Mio he wanted to pull out.

"I can stand the muscle soreness and the physical pain, but I hate feeling nauseous," said Butch. "In last year's race, there was probably a half hour I didn't feel good. This year, there was probably only two hours I felt good."

Brett Stockton, Butch's nephew, said his hands bothered him the most in this race as he displayed blisters the size of raisins at the finish line.

The Stocktons collected a \$2000 check for their triumph. Short and Peterson won \$1500 and Shepherd and Joy won \$1100. This year's prize money was the most offered in North America considering the value of American dollars. A couple of Canadian races offer around \$2000 first place prize money but the value of Canadian dollars knock the real value down.

Winning \$1000 for fourth were Bob Zaverall, 32, of Mt. Upton, New York, and Jeff Shultis, 30, Oneonta, New York, with a time of 15:21:35.

Lynne Witte, 31, of Mt. Clemens, teamed with Tom Cannon, 29, of East Lansing, to place fifth at 15:52:25. Witte finished her sixth marathon. Witte and Cannon won \$850.

A Grayling team of Minard and Jim Harwood came in sixth at 15:56:34 and won \$700.

Doug Killinbeck, 23, of Au Gres, and Jesse Gordan, 25, of Au Gres, took seventh at 15:58:01 and won \$600.

Another Grayling team of William Martella, 21, and David Martella, 19, placed eighth and won \$525 with a time of 16:03:55.

Wayne Stockton, 46, of Grayling, and Joe Johnson, 35, of Menominee, took ninth at 16:17:55 to win \$450.

John Gilbert, 41, and Dave Gilbert, 17, of Oscoda took tenth with 16:48:39 to win \$425.

Irwin "Buzz" Peterson, from Anoka, Minnesota, and Dan Sipe, 32, from Elkew, Minnesota, finished 11th at 17:05:25 to win \$400. Peterson won the race four times including once in 1971 at the age of 51.

Although that would make him 65 for this year's race, he told most people he was 61 or just plain 'old' as he wrote on his entry form.

Taking 12th were Bill Byrd, 32, Akron, Ohio, and Darwin Gilbert, 54, of East Lansing with 17:35:04 winning \$375.

A Grayling team of Jeff Kea, 20, and Terry Norman, 22, finished 13th in 17:42:03 in their 1st marathon attempt and won \$350.

## Community Raises \$10,000 With 2 Benefit Fundraisers

Over \$10,000 was raised locally to benefit Dick Trudeau and his family as a result of a two-phased fundraiser initiated several weeks ago by the local ministerial association, service clubs, and businesses. The first phase of the project was the Benefit Dinner held at the Holiday Inn, June 4.

The second part was the Benefit Drawing held July 25 during the Milltown coffee break at the Grayling State Bank.

Five hundred tickets were sold for the benefit drawing which featured ten prizes. The first place winner was Jim Kitch, of Grayling, who won a trip for two to Toronto.

Other winners were: Marjorie Morency - winner of a 19-inch color television, E.G. Sheldon - who won a nights lodging at the Amway Hotel in Grand Rapids for two, Corrine Geake - a nights lodging at Hidden Valley for two, Don Alsbro won a Sunbeam Grill, Tom Stancil was the winner of a 10-speed bike, David Swoszowski won two tickets to The Champion Spark Plug 400 Auto Race at Michigan International Speedway, LeRoy Papendick won two tickets and transportation to a Detroit Tiger Baseball game, and Dale Melroy and Donna Gwilt each won two tickets for a Charelvoux Dinner Cruise.

Carl Naghtin, president of the Grayling Kiwanis Club and member of the citizen's group organizing the fundraiser, said the project was very successful. "It was really terrific the way the Grayling people pulled together for the benefit of Mr. Trudeau and his family. Additionally, the many contributions we received from businesses and individual donors was instrumental in the success of the campaign," he said.

The benefit dinner at the Holiday Inn June 4, drew nearly 1,000 people and raised \$5,000. All proceeds from the dinner went directly to the family. Ron Fraser, owner of the Holiday Inn, donated all the food and his staff volunteered to serve guests.

Other members of the community who contributed time and money to the fundraiser were: Father Derik Roy, of the St. Francis Episcopal Church, and John Alef, president of the Grayling Area Chamber of Commerce and vice president of Grayling State Bank.

Grayling State Bank donated money for prizes,

the Kiwanis Club, Rotary Club, Lions Club, and Knights of Columbus all donated money and provided manpower to sell tickets and contributions also came from Jansen's Plumbing and Heating, Golden Rule Printing, the Saginaw Travel Bureau, Pro-Mart, and Ben Franklin.

On behalf of the Grayling Kiwanis Club, where Mr. Trudeau is a member, Mr. Naghtin expressed his sincere gratitude to everyone who so generously contributed to the Dick Trudeau Fund, and to the volunteers and donors who worked so hard during the campaign.

## A "Quack Doctor"

The 1985 National Cherry Festival offered something for everyone, and that included those who spent Friday, July 12 at Grayling's Mercy Hospital.

Donald Duck made a special appearance to Mercy to visit with the patients and staff. A familiar character from Walt Disney World in Orlando, Florida, Donald was brought to Traverse City by Centel Cable Television Company of Michigan and The Disney Channel.

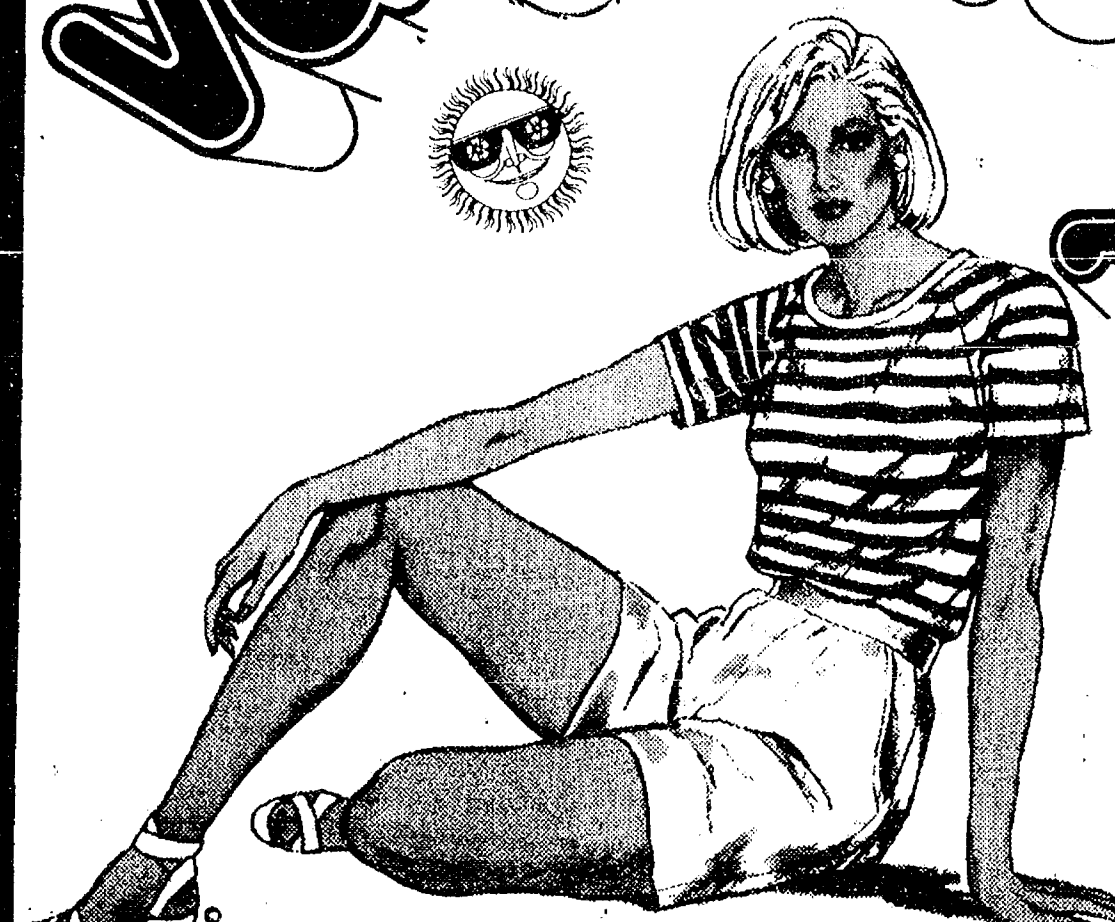

Centel Cable Television Company of Michigan, based in Traverse City, serves 34,000 subscribers. Centel acquired Grayling Cable Services in January, serving the city and township of Grayling.

## From Our Corner...

Now that we have returned to reality following our weekend among our peers on Mackinac Island, this week's turkey is going to be made up of little things that happen to a country editor, of which some are sunny and some are gloomy...

One of the sunny things happened last Friday as we were coming to work...now, I realize things are tough in this world for survival but, we never figured it was that tough...as we crossed the intersection on Michigan Ave. and Cedar St., we couldn't believe our eyes...the Leprechaun was out sweeping the street in front of Mac's...

We know that his son's Mike and P.J. have taken over the pill pushing side of the business, which leaves Lep to just wander around the store...but, I never thought he would go moonlighting, and get a job with the city...there must not be very many sick people this time of year...

A bit of gloom that entered our life last week was learning that Father Bill Rabi of St. Mary's church has been appointed to another parish in Traverse City...now, we have been around Father Bill just a few times, being a Mason, I do not belong to his faith but, we do have many, many friends who do, and everyone I have talked to, are all saddened to see Father Bill leave...he has been good for Grayling, as all of our gentlemen of the cloth have...

Back to a sunny bit of our life this past week...we received a note from our number two granddaughter Stefany, she'll be going into the second grade this coming year down in the Buckeye state...at first, seeing that it was from her instead of Toni, I figured it was a note saying they were going to come up for a summer vacation...not so, but, just about as exciting in her mind was the note that stated, "Grandpa and Grandma, I just got through jumping off the diving board in the pool without my life jacket on...bye now, have to go, Stefany"...

And here I am worrying about Star Wars, or another World War II, or how I'm going to pay the taxes, and her big thing in life was getting rid of the life jacket...gee, wouldn't it be nice to be young again, and be as smart as you are today...on second thought, we have to go along with someone who coined the phrase, life is spoiled on the young...in other words, it seems one has more hindsight than foresight...

Grayling's Milltown Festival experienced the sunny side and the gloomy side, except for Thursday when it rained all day the rest of the week was pleasant...from all reports, it was another success...it seemed to draw a lot of people into Grayling...

Now we have witnessed many, many parades in our time but, this one had something we had never seen before...the Rotary Club came up with a first...they entered a close order drill team to participate...

What made it a sight was, the ones on the left side column had their left shoe nailed to at least a 12 foot two-by-four, and the right side, their right shoe similar...

As they struggled by our vantage point we had to wonder, how come George Stencil leads the singers during their annual Minstrel Show, and now Saturday, he was leading the group with the Rotary Club sign...now I don't know if George is a talented singer and marcher, or if he just knows how to get around the President of the club each year...

We tried to figure out who the drill sergeant was but, he was incognito...he did look something like a clown we once knew that used to ride the railroads...at least we're happy he could count to four, that way he kept his troops in step...

It was a little ironic a week ago Sunday as we were struggling with the turkey, we looked up and there was Forrest and Julie Inks from Lansing, looking in the window, we had dinner with them Saturday night, and I think we told them goodbye a half a dozen times on the Island...just a funny, in our life...

Space ran out...goodnight T.J., Stefany and Amber, and to all, have a nice weekend...

### Abraham Lincoln on God's Sovereignty

You remember that President Lincoln began his proclamation of a national fast day by reminding the people that the entire United States Senate recognized "The supreme authority and just government of Almighty God in all the affairs of men and of nations." Lincoln then said, "...it is the duty of nations as well as of men to own their dependence upon the overruling power of God..." Abraham Lincoln believed a sovereign God ruled in the affairs of man and controlled the destiny of all men and nations.

Following his election as president, in his farewell speech to his friends and neighbors at Springfield, Illinois, he ascribed to God all control over his success or failure. "Without the assistance of the Divine Being who ever attended him, I cannot succeed. With that assistance, I cannot fail. Trusting in Him who can go with me, and remain with you, and be everywhere for good, let us confidently hope that all will yet be well. To His care commending you, as I hope in your prayers you will commend me, I bid you an affectionate farewell."

On his route to Washington, President Lincoln made a speech in Independence Hall, Philadelphia in which he reminded the nation that he lived and was willing to die according to the pleasure of Almighty God. "But I have said nothing but what I am willing to live by, and, if it be the pleasure of Almighty God to die by." Lincoln lived by the Almighty or sovereign pleasure of God.

President Lincoln believed God's will was being worked out in the Civil War. Writing to a delegate from Kentucky about the results of the emancipation proclamation and black soldiers in the war effort, Lincoln said in closing, "Now, at the end of three years' struggle, the

nation's condition is not what either party, or any man, devised or expected. God alone can claim it. Whether it is tending seems plain. If God now wills the removal of a great wrong, and wills also that we of the North, as well as you of the South, shall pay fairly for our complicity in that wrong, impartial history will therein new cause to attest and revere the justice and goodness of God."

In his second inaugural address, Lincoln reminded the nation that the Civil War was God's judgment on the United States to fulfill God's purpose and providence. "The Almighty has his own purposes, 'Woe unto the world because of offenses! for it must needs be that offenses come; but woe to that man by whom the offense cometh.' If we shall suppose that American slavery is one of those offenses which, in the providence of God, must needs come, but which, having continued through his appointed time, he now wills to remove, and that he gives to both North and South this terrible war, as the woe due to those by whom the offense came, shall we discern therein any departure from those divine attributes which the believers in a living God always ascribe to him? Fondly do we hope - fervently do we pray - that this mighty scourge of war may speedily pass away. Yet, if God wills that it continue until all the wealth piled up by the bondsman's two hundred and fifty years of unrequited toil shall be sunk, and until every drop of blood drawn with the lash shall be paid by another drawn with the sword, as was said three thousand years ago, so still it must be said, 'The judgments of the Lord are true and righteous altogether.'"

It was in the context of the above paragraph about God's sovereignty in U.S. affairs that Lincoln spoke the immortal words of the last paragraph, "With malice toward none; with charity

3 Crawford Co. Avalanche Thurs., August 1, 1985

for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and his orphan - to do all which may achieve and cherish a just and lasting peace among ourselves, and with all nations."

## Herbal Corner

Have any of you folks looked down at your feet when you walk in the woods? Up here in our country there is a plant that has dark green fairly round leaves, waxy feeling, and has a red berry in the fall that tastes like Teaberry Gum. The plant is usually only about three to four inches tall and is found in shaded woods. This plant is commonly called Wintergreen.

The constituent in Wintergreen is Methyl Salicylate, a relative to aspirin; and the oil of which is used for rheumatism and aching joints. The tea tastes definitely like Pepto Bismol. I came across the following and thought it interesting.

"Quantities of Wintergreen leaves were exported to France and sold as a tea. Sels, one of the most distinguished botanists of the 18th Century, informs us that the leaf of this plant has a closer resemblance in flavor to that of Chinese tea than any other that is known. Halle, another Botanist who repeated the experiment of Sels, assures us also that it not only resembles Chinese tea in flavor, but it has all its agreeable qualities, without any of the injuriously stimulating properties which are attributed to the Chinese beverage." "The Domestic Dictionary & Housekeepers Manual" - 1842.

Wintergreen is pleasant tasting, and if you use the berries less sugar is needed, if any at all. I have to be careful whenever I walk in the woods with my dog. If I should bend over to pick a fruit, Buddy knows it is a goody; and invariably I get smacked in the rump with two paws if I am putting the fruit in my mouth or he would claim the fruit if I haven't picked it yet.

Herbally yours,  
E. Diana Cerelli, C.H.  
PS Hope you are enjoying the Milltown Festival. Your Chamber of Commerce has put a lot of work into this year.

## Commission On Aging Building Fund

\$180,000.00

\$9,907.99

## COA BUILDING FUND

A goal of \$180,000.00 has been established to build a new senior facility. The 4,000 sq. ft. fully equipped building would provide an activities room, dining room, kitchen, offices and storage space.

The cost is based on \$45. a sq. ft., and it is anticipated that with much volunteer help and donated services and materials that the cost will be considerably lower. The location is yet to be picked, but a search committee is hard at work looking at sites.

Donations of all sizes are being accepted; please help the thermometer rise!

## Honored at Bridal Shower

A bridal shower was given at the Roy Lovely's home July 20, 1985 by Shawn Lovely in honor of Donelle Bentley.

## RSVP Reports

by Aleta Thompson, Director

The RSVP booth at the Milltown Festival's Arts & Crafts Show was a big success with most all of the items sold. Our volunteers shared the responsibilities of booth sitting for the two day event. It was visible that there was a lot of enthusiasm there. Great sales pitch you gals gave on the handmade items donated by volunteers! Just proves if you find a busy senior, then that's our RSVP Volunteers! Jan and I thank you all.

The Quilt was won by Diane Lipinski who spends the summer here in Crawford County. The monies from the sale of these articles will help go toward the 30% we must match to Actions share of our grant program. ## Lovells News

By Ruth Caid

Mr. and Mrs. Festus Hagan of Indiana enjoyed a vacation at their cabin on Lovells Road.

Mrs. Rachael Gillenwater passed away in Florida on Sunday. The Gillenwaters owned a cabin on the North Branch and spent many summers in our community. Friends extend their deepest sympathy to the family.

Mrs. Sophie Koerke returned home Monday after being a patient at the eye clinic in Ann Arbor. Her many friends extend their best wishes to her.

The Cheerful Givers Club will meet Thursday evening at 7:30 in the club room.

The Caid family enjoyed a picnic at the Pavilion on Saturday. Out of town guests were from California, Detroit, Petoskey, and Lewiston.

Mr. and Mrs. Terry Thorpe and family of Detroit and Miss Michele Muriel of Grand Rapids spent the weekend with their parents, Mr. and Mrs. Woody Muriel.

Mrs. Macey Douglas of Memphis spent a few days visiting her cousin, Mrs. Margaret Douglas.

## Correction

In the obituary of Viola June Feldhauser, it was erroneously stated that she was survived by her husband, when in fact he preceded her in death. Also Mrs. Feldhauser was a member of the First Church of Christ Scientist of Boston, Mass.

## VA Changing Procedure

The Veterans Administration is changing income reporting procedures this year. A full page EVR (Eligibility Verification Report) will be sent instead of the Income Questionnaire card.

These new forms will be mailed monthly through the year. The first mailing will be on October 1, 1985, to all claimants who are receiving benefits under the law in effect prior to January 1, 1979.

Claimants in receipt of Parents' DIC or Improved Pension under the law in effect from January 1, 1979, will begin to receive their income reporting forms approximately 2 or 3 months later. These forms will be mailed to all claimants on a staggered basis. Therefore you may not receive one until September 1986.

If you have any questions concerning this notice, please contact the nearest VA office. You may also contact any accredited veterans organization representative, listed in your phone book under Veterans Organizations.

The change in reporting procedures does not relieve your responsibility for reporting changes as they occur.

## Funeral Services For Roderick Powers, 41

Funeral services for Roderick A. Powers, 41, of Mears, Michigan, were held Friday, July 12, 1985, at the Hart High School where over 600 mourners paid their last respects. The Rev. David Willet officiated.

Rod was born in Midland on September 17, 1943, the son of Harold and Eva Mae Powers. He was married in Grayling on August 29, 1964, to Julie Carlson, who survives.

He graduated from Central Michigan University in 1965 and has taught government and economics at Hart High School for the past 19 years. He was a class advisor, a former student council advisor, and an officer in the Hart Education Association. He had been the recipient of the Outstanding Teacher of the Year Award on many occasions.

Surviving are his parents, Harold and Eva Mae Powers of Ellsworth and Port Richey, Florida; his wife, Julie of Mears; three brothers, Stanley of Rudyard, Bruce of Midland, and Alan of Minneapolis, Minn.; one sister, Ann Selby of Kingston, Mi.; Julie's parents, Merle and Arthur Carlson, her brother, Richard of Grayling; her sisters, Christine Olson of Lawton; Cindi Graham of Petoskey; her aunts, Amber and Burnis Meech of Grayling and cousin, Cory Dean of Lompoc, California; and thirteen nieces and nephews.

An educational scholarship is being established in his memory.

## Services Held For Andrew McGuire, 84

Andrew J. McGuire, 84, of Grayling Township, died Monday, July 22, 1985, at Mercy Hospital. Funeral services were held Thursday, July 25, 1985, at the Sorenson Funeral Home with the Reverend G. William Fischer officiating. Burial was in Pioneer Cemetery, South Branch Township.

Pallbearers were Bruce McGuire, Scott McGuire, Matthew McGuire, Andrew McGuire, Bernard McGuire, and Richard Armstrong.

Andrew was the son of Frank & Minnie (Buse) McGuire born on October 24, 1900, in Coleman, Michigan. He married Florence Schreiber on June 16, 1923. Andrew lived in Flint from 1926 until 1970, when he moved to Grayling. He worked as a foreman for Buick Motor for 20 years. He and his wife owned and operated a party store since his retirement in 1946 from Buick Motor.

He was preceded in death by his parents; son, Junior A. McGuire in 1966, and also 3 brothers, and 3 sisters.

Survivors include his wife, Florence McGuire; 2 sons, Eugene, and his wife, Madalen McGuire of Flushing, and Leo, and his wife, Donna, McGuire of Flushing; 1 sister, Agnes Burleigh of Flint; 6 grandchildren; and 6 great grandchildren.

## Par For The Course

Thirty-two ladies enjoyed a lovely evening of golf at the Monday night Ladies League on July 29, 1985.

Prizes were awarded to Caroline Glaza for a low game of 52, Chip-ins to Joyce Sorenson, Alberta Wiggins, Mary Sidwell, Nancy Glasslee, June Pellerito. Most improved on the ringer sheet was Pat Jackman. Shirley Daup won for the lowest score on hole #4.

Next week will be a best ball game.

## CARD OF THANKS

We wish to take this time to thank our friends and neighbors for their cards, prayers, and kindnesses extended in Grayling during the loss of our beloved son-in-law, Rod Powers, of Mears.

A special thanks to Pastor Barnett for his comforting call upon hearing of the tragedy and Pastor Ronnie Lovell for his trip to our home in our absence, and long-time family & friends, the LeRoy Christians who were in Texas, and neighbors, the Robert McDowells for the specials above and beyond.

## Almanack

(You'll be surprised  
how much we can save you!)

by Richard Millman

A LITTLE BIT of this, and a little bit of that. In other words, time once more for one of our infrequent strolls, barefoot among the potpourri...

**PRESIDENT REAGAN** underwent the polyp surgery, and things seem to be going along all right for all concerned.

But was there information overkill? Some folks think so... for example, some stiff upper-lipppers in Great Britain.

"Good manners demand a decent reticence about these matters," commented Harold Brooks-Baker, publisher of British etiquette books, including "Burke's Peerage."

He said a proper gentleman would be embarrassed by the details disclosed about Mr. Reagan's intestines after the surgery — including maps and diagrams and graphics... all in living color yet.

"One cannot imagine such a blow-by-blow account coming from any of the royal courts of Europe," said Mr. Brooks-Baker.

Our British friend has hit a nail on the head. Any of us who watched or read about Mr. Reagan's problems were treated to a lot more information about intestines than we really wanted to know.

We're all for freedom of information, but on the point of intestinal overkill, we're inclined to agree with Mr. Brooks-Baker. Too much is too much.

**DID YOU BUY** some tickets on the Michigan lottery when the pot grew to \$15 million recently? If not, you're one of the few who abstained.

I'll have to admit when the lottery pot grows, my interest grows apace. After two weeks with no winners, I bought three tickets. When it went another week, my personal ante went up to five tickets. My wife bought five more, all on her own, too.

Alas, I matched only one or two numbers among the 30 assigned on the five lotto numbers. My wife didn't do much better, either.

But when it goes to \$15 million, we both figured, "What the heck! Somebody's got to win. And it might just happen."

And that's why the pot grows and grows and grows. Hope springs eternal.

**IT SEEMED** so silly at the time that it begged for comment, but I refrained. I refer to the spectacle before a congressional committee a few weeks back when Sissy Spacek, Jessica Lange and Jane Fonda gave their views on farm problems.

The point of their expertise seemed to be that each of the actresses had recently appeared in a farm-related film, and each became engrossed in the problems of farm wives.

Some folks even took their testimony seriously, if you can imagine. But they did accomplish what their backers wanted—which was to derive publicity.

As a recent writer of a letter-to-the-editor of the Wall Street Journal noted, it would make as much sense as having Larry Hagman of "Dallas" fame testify about oil taxes and exploration, ... Sean Connery or Roger Moore, who portray James Bond, advise the CIA... Lily Tomlin, comedienne who has a funny routine about telephone operators, testify about the breakup of AT&T.

But any of those would accomplish the same publicity end as the Spacek-Lange-Fonda troika. Maybe we hadn't better give the idea too much currency. Our congressmen might decide they like the thought.

**A COUPLE** of clever headlines caught my eye recently, both in The Lansing State Journal.

— On a story telling of the pending retirement of baby doctor Benjamin Spock: "Dr. Spock getting ready to throw in the diaper."

— On a story about the retirement from auto racing of Gordon Johncock: "Final pit stop."

**PICKED UP** somewhere as "words to live by" are these two thoughts:

—Most time is wasted, not in hours, but in minutes. A bucket with a small hole in the bottom gets just as empty as a bucket that is deliberately kicked over.

—Patience is something you admire greatly in the driver behind you, but not in the one ahead of you.

**TRAIL RIDER** — Wes Smith of Fremont, 11 year-old-son of Jack and Jean Smith and grandson of Emma Bartell of Grayling, proudly displays the trophy he received from the Michigan Trail Riders Association on June 30, 1985. To win this award, Wes rode his Appaloosa mare, JoAnne, from Lake Michigan at Empire to Lake Huron at Oscoda, a trip of 220 miles. Horses must have waded in both lakes and have taken a designated trail. The ride took two weeks; at midpoint there were 350 riders but only about 120 completed the distance. Wes' dad also attempted this ride but his horse went lame so he spent the second week being "pit crew" for Wes.

## Arthroscopic Surgery

By John M. Thiel, D.O.

Arthroscopic surgery, through a telescope-like device, has become the accepted treatment in many orthopedic problems. Arthroscopic surgery was developed in Japan, 15-20 years ago, and has become the method of treating orthopedic problems in the United States in the last 10-15 years. It was popularized through the work of Doctor Larry Johnson, orthopedic surgeon in Lansing, Michigan.

The majority of arthroscopic surgery today is done on the knee. However, in recent months, this type of surgery has become popular for shoulder, wrist and elbow problems.

Arthroscopic surgery on the knee is greatly advantageous to the patient, in that no large incisions are made. It can most often be done on an outpatient basis, except with the elderly patient, or one who has multiple medical problems. The large incision required by traditional procedure (an arthrotomy), is no longer necessary. The procedure is done through a small telescope (arthroscope), by making several small puncture wounds in the knee. This enables the orthopedic surgeon to see the inside of the knee, and operate with only the small puncture wounds, rather than the large incision. Instrumentation uses a sophisticated system called fiberoptics (a lighted cord device with multiple glass fibers that run through the cord allowing a high intense light source to be supplied within the knee).

The arthroscope is attached to a camera-device, which allows the surgeon to see the inside of the joint on a television monitor. Many other instruments can be used through the small portals, i.e. tiny probes, scissors, grasping devices and a chondrotome (used to do shaving of articular, or joint surface-type cartilage).

Many knee injuries can be taken care of through the arthroscope, including torn cartilages, bone defects, shaving of articular cartilage (joint surface cartilage), as in arthritic knees. Small bony loose bodies in the knees called joint mice, can also be removed.

Orthopedic surgeons are now working on actual repair of the meniscus, (called meniscurectomy), as well as treating chronic problems such as recurrent dislocation of the patella; also, repair of ligament structures in the knee, such as the anterior cruciate ligament.

With intra-arthroscopic surgery in knee patients, the rehabilitation and recovery period is decreased. The patient can be treated as an outpatient and go home 4-6 hours after the procedure. If the patient has a torn meniscus (cartilage), he/she may require the use of crutches for 4-5 days. The use of a walker may be necessary if there are more significant findings in the knee, necessitating further arthroscopic procedures.

In traditional arthrotomy (open knee incisions), the recovery time was up to 3-4 months. Now recovery time has been lessened to 6-8 weeks, with proper physical therapy rehabilitation. The

patient then can resume normal activity, including sports.

Arthroscopic surgery is also being done to treat many problems of the shoulder, and would avoid the incisions which were necessary to approach the shoulder, and some of the more difficult problems.

With arthroscopic surgery, there is very little scarring. Female patients especially find this important. The only scarring is as a result of the small punctures made to insert the arthroscope. These scars are con-

siderably smaller and less noticeable than the scarring which resulted after previous arthrotomy surgeries.

In summary, arthroscopic surgery is an excellent alternative to the previous treatment methods of multiple joint problems. This is a great advantage to the patient; especially the working person or the sports-minded person, who would like to return to their activities as soon as possible. The surgeries are currently being done at Mercy Hospital, Grayling.

### State Studies New Regional Prison at Kinross

Warren M. Hoyt, Executive Dir., MPA

A feasibility study for a 55-bed regional prison at the former Kinchloe Air Force Base at Kinross has been approved by the State Administrative Board.

The proposed facility is in addition to the 10 regional prisons planned by the Department of Corrections in the largest expansion project in Michigan history.

Kinross is already the site of one prison and the study contract is to identify three sites for a second prison. Also to be determined is how much could be saved because of existing utility facilities, according to department spokesperson Gail Light.

She said initial reviews indicated several million dollars could be saved on a prison which typically costs \$38 million to build.

The proposal is an outgrowth of a suggestion by Representative Pat Gagliardi (D-Drummond Island) that school facilities at the abandoned air force base could be converted quickly to a prison, but the department determined that was not suitable.

The feasibility study, ordered by Governor James Blanchard, is to be conducted by Beckett Raeder of Ann Arbor, and is to be completed by early September in time for any possible legislative action when the Legislature reconvenes its 1985 session on September 18.

In a related matter, former Wayne County Prosecutor William Cahalan was named by Blanchard as special advisor on prison security.

Cahalan immediately announced he would begin studying potential problems in the state's minimum security prison situation. Blanchard, who created the post just recently, said that he wants Cahalan to study two problem areas — the adequacy of the state's inmate classification system and expansion of an executive proposal to use special teams to patrol areas surrounding minimum security prisons.

Cahalan said he would first have to determine the extent of any problems involving minimum security facilities, where escapes

have been on the rise.

Cahalan said one conclusion that he might make from the study is that the state's classification system is in good order, but that it lacks the spaces to properly house inmates categorized as medium or maximum security risks.

In his initial announcement, Blanchard said he wanted to have the study done within 30 days but his legal advisor, Larry Glazer, said the Governor would be willing to wait a little longer for a report.

Cahalan said he would begin his study by meeting with Corrections Department Director Robert Brown.

Blanchard said Cahalan, who served as Wayne County prosecutor for 16 years, was the "best qualified individual to be advisor on these complicated issues."

### Kelley Asks Court To Order Cleanup of Niles Landfill

Attorney General Frank Kelley has filed suit seeking a cleanup of a chemical landfill by the former owners of the former Southwest Cass County Landfill near Niles.

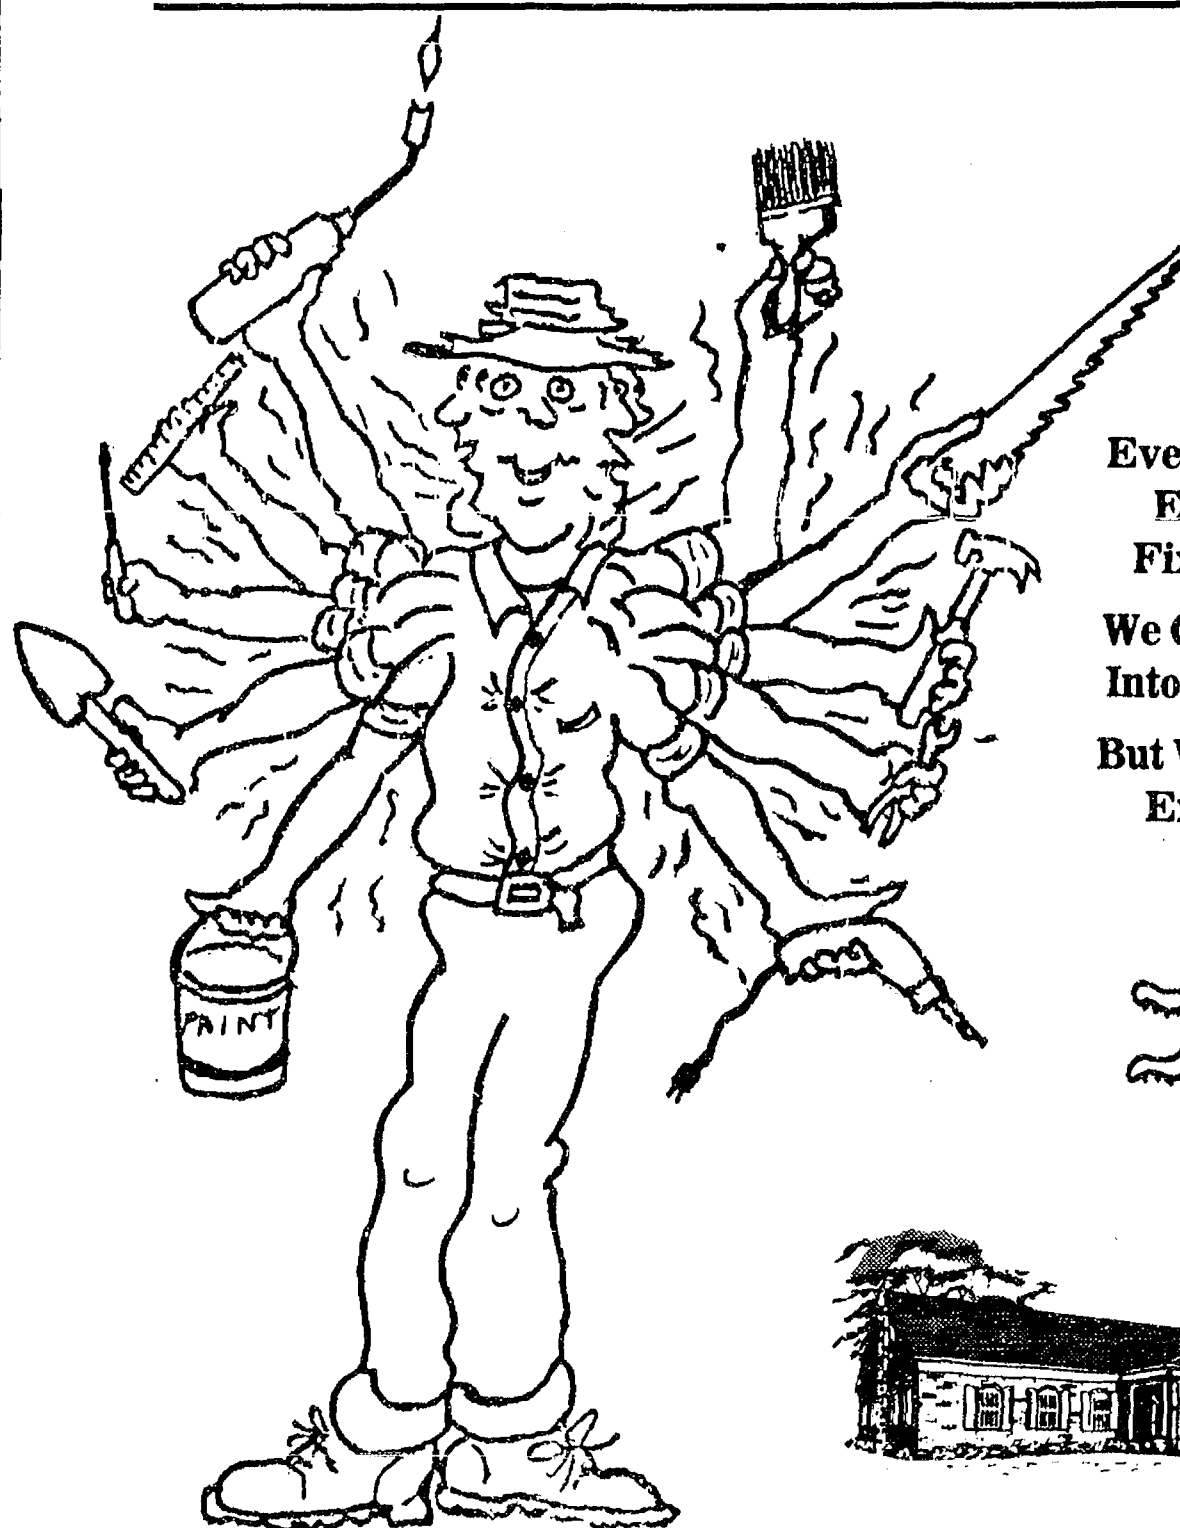

Kelley is asking the Cass County Circuit Court to order the cleanup of 60 rusting barrels of liquid, hazardous, flammable waste from the property.

If the owners, residing in Indiana, refuse, Kelley said the state will cleanup the site using funds appropriated under the Environmental Response Act and "hold the owners financially liable for all costs."

Kelley said the owners have ignored repeated notices from the Department of Natural Resources to clean the site. The landfill was licensed as a general refuse landfill, until it was closed in 1979, however, it was not licensed to receive liquid or hazardous waste.

The barrels contain various toxic and carcinogenic chemicals, as well as chromium and lead, Kelley charged. He noted that traces of many of the chemicals have been found in groundwater monitoring wells at the site.

Retention NCO, 1/147th Infantry Battalion  
Ohio National Guard

TROOP INVADE GLEN'S — Buckeye guardmembers from the 1/147th Infantry Battalion's retention team, Cincinnati, Ohio recently invaded Glen's Market and captured manager Darryl L. Ames.

Staff Sergeants James Terry and David Risher entered the store to make their usual purchases of candy bars, soda pops and other snacks for troops living in the field at Camp Grayling.

After completing their purchases, the two NCOs grabbed Ames and transported him to the Rest and Relaxation station that the 1/147th had set up for their troops.

Because Ames and his employees had been so helpful in supplying food items for the soldiers they thought a trip to the field might be appropriate thanks.

After visiting the R & R site, Ames was given an Ohio National Guard belt buckle in appreciation for all his time and effort in working with the battalion during Annual Training. (Photo by Spec. 4 Harlan S. Williams, 196th Public Affairs Detachment, Ohio Army National Guard).

She has ministered with Tom Netherton (from Lawrence Welk program), Larnelle Harris, the Speer Family, The Goodman Family, Pat Boone, and Dr. Robert Schuller.

Bits O'Talk

By Fay

Evelyn and Ab Sager received word on Thursday, July 18, that they are great grandparents for the second time in three weeks. Their middle granddaughter and husband, Fay Ann and David Weston of Minneapolis, are the parents of a boy, Matthew Edward. The Sagers were in Saginaw on Saturday and Sunday, a week ago, when their great granddaughter, born on June 28, 1985, was christened in a dress which was worn by Ab when he was christened more than 77 years ago. They also celebrated their 57th wedding anniversary with their son, Ralph of Walled Lake, and their daughter and husband, Shirley and Leonard Kraatz of Saginaw.

Amber Meech and her sister, Mrs. Merle Carlson, drove Amber's daughter, Corlynn A. Dean, to Traverse City on Saturday, July 20, where she boarded a plane for Albuquerque, New Mexico, to join her husband, Capt. William I. Dean of the U.S. Air Force. From there they drove to California where Bill is stationed at Vandenberg AF Base.

Guests of Carl and Rose Hatfield for three weeks are her niece, Colette Genet, and friend, Jean-Pierre Fayffe, both of Paris, France. The Hatfields picked them up at the airport in Traverse City and they have been doing a lot of sightseeing while here. Wednesday and Thursday of last week they spent in Sault Ste. Marie, Canada, and this week they are touring more of Canada in the Niagara Falls area.

Rehabilitation of an Aging Lady

The Grayling Health Care Center opened its doors in March of 1984 to bring "a quality choice" in long-term health care to the citizens of Grayling.

Since its beginning 30 years ago the Hillhaven Corporation has always led the nursing home health care field in restorative care and rehabilitation.

Now the Grayling Health Care Center, joins together with the Hillhaven Corporation to sponsor the "Rehabilitation of an Aging Lady" campaign as a tribute to another great lady: Kate Smith.

Currently a \$230 million, 2½ year project is underway to restore the aging Statue of Liberty and Ellis Island to be completed by 1986. A well-known symbol of freedom and hope to the world, the statue has been primarily paid for through contributions raised by the French and American peoples, with a significant amount having been raised by American school children.

It is estimated that 17 million immigrants have passed through Ellis Island, but nearly 100 years of wind, rain and snow have taken their toll on this national treasure so now it's our turn.

Tickets are available through August 31st from the Grayling Health Care Center (1-75 South) as well as many participating area retailers. A donation of \$2 is requested, but not required.

The Hillhaven Corporation will be giving away a 1986 Dodge Series 600 Convertible to the First Place Winner of a drawing to be held on September 9, 1985.

# Ohio Guard Fights Fire With Helicopter

SFC Candace J. Elledge  
196th Public Affairs Detachment  
Ohio Army National Guard

The Ohio Army National Guard, stationed at Camp Grayling, started a program Tuesday, July 23, to prevent the spread of fires caused by training on the firing ranges.

The program involves the use of a "Sims Bucket" which is sling-loaded from the bottom of a UH-1 helicopter, according to Lt. Col. Mark V. Ryan, staff aviation officer, Headquarters State Area Command, Ohio Army National Guard. It will be used to carry water from a lake to the location of a fire.

The bucket, which holds 250 gallons of water, was borrowed from the Kentucky Division of Forestry with the help of the Kentucky Army National Guard.

Although the fires, which were squelched by the rain July 25, the bucket will be available throughout the period, ending August 31, that the Ohio National Guard will train at Camp Grayling.

Under the direction of Maj. Gen. Robert W. Teater, troop commander, State Area Command, the coordination necessary to obtain the bucket was done by Ryan Lt. Col. Thomas A. Middel, state training officer, coordinated between the State Area Command and the 73d Infantry Brigade (Separate).

Pilots from the brigade, commanded by Brig. Gen. Clyde E. Gutzwiller, will operate the equipment during this training period which ends August 3.

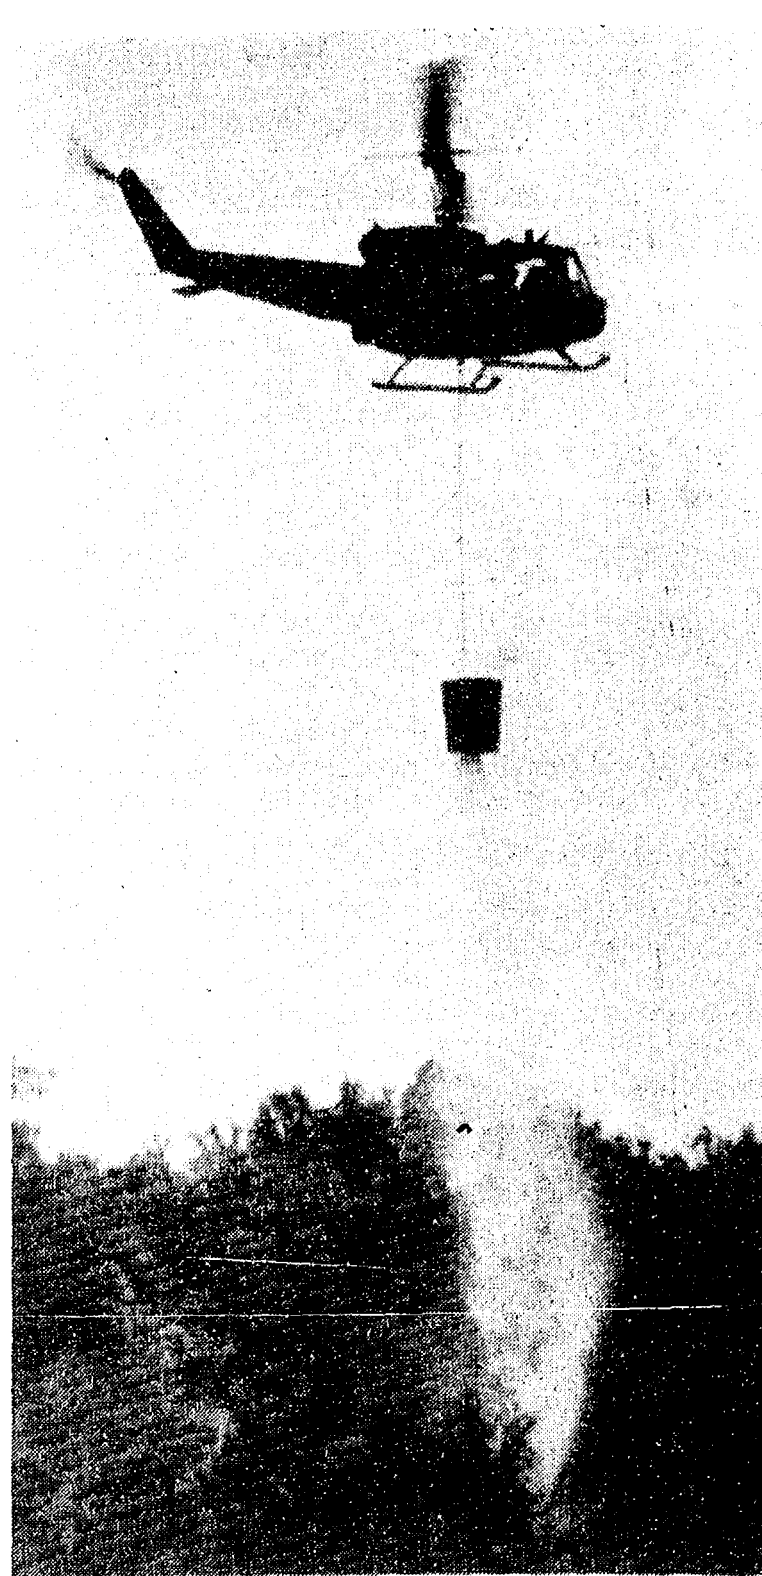

The bucket is carried in a way similar to any other external load, caro or pallet, under a helicopter. Some special training is needed because there are additional considerations. The crew chief plays a big role in the actual operation by controlling the valve which regulates the water and informing the pilot of the altitude above the trees or water.

Training with the bucket started July 24 at Section One Lake. After a short period of training, the helicopter was dispatched to work on an actual fire.

Since the training was at a location close to the fire, the pilot was able to react quickly and suppress the fire before it could build or spread.

The bucket will be located at a range which may have problems with fires due to weather conditions. Other firefighting equipment and hand tools that can be used to stop the fire will also be located at the range.

"Using the ranges at Camp Grayling is critical for effective training," Teater said, "but we are also conscious of the need to protect private property and the environment."

## Youth Services Bureau

Last weeks recreation program was very educational. Monday we started off with a tour of the Grayling Mercy Hospital. It was very interesting, all the kids enjoyed it. Mio's summer Recreation group joined us for the tour. I think all of us learned something new about hospitals and their different departments.

Tuesday, Mio joined us and we went to Milltown Miniature Golf for the day. Wednesday we went hiking at Hartwick Pines State Park on the nature trail, which was something new to all of us. Thursday we were scheduled to go to McIntyres for a picnic and swimming but that dreaded rain got us again - recreation was cancelled for the day.

The recreation schedule for next week is as follows:  
Monday/Tuesday - We go camping on the AuSable with some of our youths from the A group.

Wednesday - swimming Pine Knoll and picnic.

Thursday - No activity.

We here at the Youth Services would like to welcome Tammy Doremire to our staff. Tammy will be helping out with the recreation program and also in the office.

This week we would like to thank all the nice people at Grayling Mercy Hospital and Mrs. Renate Champion for the Tour. Also, Missy Madsen of Milltown Miniature Golf.

The Youth Service Bureau is a Crawford County United Way supported agency.

## New Pastor at St. John Lutheran

Rev. Jerry Mueller began as Pastor of St. John Lutheran Church on June 16th. A native of Crystal, Minnesota, a suburb of Minneapolis, he is a 1978 graduate of Suomi College, Hancock, Michigan. In 1981, he received a B.A. degree from Lakeland College, Sheboygan, Wisconsin, where he majored in History. Rev. Mueller is a 1985 graduate of the Lutheran Theological Seminary in Gettysburg, Pennsylvania, from where he received a Master of Divinity degree. On June 9th, he was ordained by the Minnesota Synod of the Lutheran Church in America.

On Sunday, July 14th at 11 a.m., the Rev. Mueller was installed as the Pastor of St. John by Bishop Raymond Helne of the Michigan Synod of LCA. It was a most impressive ceremony. The Choir sang an anthem "At The Lamb's High Feast", under the direction of organist D.J. Taylor...it was a favorite of Pastor Mueller.

A sandwich lunch was shared by the congregation after service.

## The Christmas Story

Mt. Hope Lutheran Church is having their Vacation Bible School August 12-16 from 9-11:30 a.m. All area children are invited to attend, even those who may be vacationing here. We're located just before the blinker light at the intersection of Old US 27 North and M-93.

The children will be learning about advent, and how we prepare our hearts for Christmas. Hopefully, they will learn what the best gift of all is at Christmas time - Jesus, God's gift to us of his Son. They will celebrate a tradition day. That should be fun, especially when they participate in one of the traditions - making Christmas cookies. Hearing the

## Around Town By Fay

My column has always been written to give bouquets to those who work hard to make their homes, yards, and business more attractive. Some of my readers comment on some that are not, but I cannot mention them. However, one of my readers gave me a positive approach to the problem. There is a lot of good to that beautiful white snow that will fall from November to April - it will hide the unsightly weeds and debris!

Another reader commented that the Eagles Club had a nice display of flowers. Planters full of bright flowers have appeared in front of the Ingham Street apartments and down on the river. Laura Gould has flowers and a nice yard.

It looks as though Gordon Pond is enjoying his retirement, working in his yard. Flowers are everywhere, along the walk, in window boxes, and on the fence, which probably hides some more garden.

We are also pleased with our front yard now. We have some very beautiful new stone and cement steps, put in by Gus Williams, a master mason. Along with a new sprinkling system, our lawn is greening up after the dry spell!! With marigold and geraniums, we hope you enjoy it - many have said they do. Thanks!

**Editor's Mailbox**

July 21, 1985

Dear Sir:

After reading Mr. Bob Andrus' June 19 Editor's Mailbox contribution, I am surprised that a forward thinking organization such as Trout Unlimited (I am a life member) could accept such backward thinking philosophy from it's number one state spokesman. Trout fishing on the AuSable is not "extremely good". I have seen it gradually deteriorate over the past 15 years from a quality fishery with large fish to its present state of being still fun to fish esthetically but don't expect too much fun at the end of your line.

Mr. Andrus decries getting "hung up on special regulations." Special regulations, specifically "catch and release", have improved the quality of trout fishing dramatically in other parts of the country for both cold water and warm water fisheries. Special regulations and environmental upgrading are the only salva-

tion for preserving quality sport fishing where increasing numbers of fishermen and improved fishing techniques and equipment can quickly result in an "overharvest" situation.

Mr. Andrus states (and I hope he's not speaking for T.U.) "We fear that no-kill regulations.....will alienate thousands of aspiring and traditional anglers". I couldn't believe my eyes. What finer way do we have to teach young anglers the conservation ethic so necessary to preserve our limited and valuable natural resources? We must look to the future for our children and grandchildren.

I release 99% of the fish that I catch. I enjoy keeping an occasional fish for the table if the fishery is in balance and not threatened. From my personal observation and that of most others who fish our beautiful AuSable, quality fishing on that river is threatened. "No Kill" regulations on the Wakely - Burton stretch will go a long way toward bringing it back to it's proper designation as one of Americas true "blue ribbon" trout streams. The deserving people of Grayling will have improved fishing and improved economic benefits as a result of this reasonable approach to our sport.

Sincerely,  
Karl W. Glander, D.D.S.

July 24, 1985

Mr. Whitey Madsen, Editor  
Crawford Co. Avalanche  
100 1/2 Michigan Ave.  
Grayling, MI 49738

Dear Whitey:

This letter may seem somewhat of an emotional plea when in reality it should be factual, based on Biological studies. However, the issue involving the attempt to initiate a "No-Kill" section of the AuSable River, spearheaded by Sports-writer Tom Opre and Gates AuSable River Lodge owner Rusty Gates, has plainly been removed from the realistic Biological viewpoint and has been exposed to the general public purely in an emotional light. At an early-meeting held to establish an understanding of the "No-Kill" proposal Tom Opre informed those in attendance that there are several regulations available that the D.N.R. could institute three of which are: 1) changing the present Slot limit by increasing the legal size and lowering the creel limit. 2) Allowing the present regulations to remain unchanged and, 3) establishing the proposed "No-Kill". It was indicated, and has been verified by the D.N.R. Fisheries Biologist that computer model program studies have reasonably proven, with predictable accuracy, the expected results from any specific program. It is my belief that biological study reports should be the basis for establishing any program designed to alter or improve the atmosphere which surrounds individuals utilizing the natural resources.

It should be remembered that collectively each D.N.R. Division obtains operational funds from each individual purchasing a fishing or hunting license. These operational funds provide expert Biologists and technical equipment to build, maintain and improve our streams and wildlife habitat. Why then, should "special interest" groups emotionally control State Government for their selfish satisfaction at the expense of each and every sporting individual.

I would like to take this opportunity to present my own emotional plea, hopefully for the benefit of every Sporting Enthusiast. I'll begin by quoting a poem presented to an individual to whom I owe a debt of gratitude for teaching wisdom and fairness above all else. Herbert E. Stephan was born/raised and influenced beside the AuSable River, as do so many Michiganders he often marveled at the Rivers tranquil effect on individuals; the poem is as follows:

"The murmur of this Old River gliding by,  
My boat drifting under Gods' blue sky  
A mess of Trout in the live-well  
The distant ringing of a dinner bell  
A boat pole in my left hand  
Fly rod in my right  
This heritage I was given  
To enjoy both day and night  
Jackpine-Cedar-Whitepine  
around her banks  
God's breath whispering  
through their boughs  
creates an air of thanks  
Years have wrought many strains  
still I can see quite clear  
this Old AuSable will remain  
for many future generations  
to enjoy year after year"

Herbert E. Stephan passed away in April 1981, ironically after having spent an enjoyable afternoon fishing the "pre-season" "No-Kill" section of the AuSable River. Speaking through his influence I will close my plea with the following:

"The Old AuSable as he said it would be  
continues to flow clear for all to see  
Though his voice has been stilled and his absence felt  
his influence lingers where his presence dwelt

The Jackpines, Whitepines, and Cedars still abound the banks, His breath now whispers with God's through their boughs thanks  
The Trout in the live well are fewer it seem  
than they were when he coaxed them from the stream  
The distant ringing of the

dinner bell  
eludes to secret memories, only he could tell  
The heritage he was given, the life he led  
he has passed on to us to enjoy instead

There were people who asked his opinion and hated to hear what his wisdom stated

This wisdom and heritage which he left behind is readily waiting for those who seek to find it  
During the early meeting which Tom Opre and Rusty Gates attended Tom Opre stated his belief in the accuracy of the D.N.R. Biologists statistics. His statement was and I will attempt to quote briefly, "If you people want more Trout to catch stay with the present regulations, if you want fewer but larger Trout then the answer is the "No-Kill" proposal. I happen to be and have always been an advocate of "No-Kill". I enjoy catching "Trophy Fish" and that is what I want to see for the AuSable River."

I disagree with Tom Opre's opinion. While I have and do enjoy releasing my catch, I also enjoy a delicious Trout dinner. I will rest my opinion on the philosophy of my Father Herbert E. Stephan, make regulations to benefit EVERYONE based on sound conservation principles. Let the individual SPORTSMAN decide for themselves to keep or release their catch.

One last thought I would like to mention. For those of you who are Naturalists or Bird watchers I understand there is an effort to establish a Dove hunting season. Wouldn't it be an Irony if events were such that advocates of the Trout "No-Kill" regulations were to be found supportive of a hunting season to KILL Morning Doves!

Sincerely,  
Peter W. Stephan

**Door of Hope**

The Door of Hope Pregnancy Center desires to be a service to all women in the Community, and the surrounding area, not only in the "Crisis Pregnancy" which is the most important time, but up to the delivery and even after.

All services are free and open to anyone, regardless of income. However, donations are always welcome, as that is how the Center is supported.

The following booklets have been received and are available free at the Center: "How Your Baby Grows" "Getting To Know Your Newborn" "Parenting Insights" "Guide for the First-Time Babysitter".

We also have maternity clothes, and baby clothes available for free distribution.

Free pregnancy testing is available and information on abortion, which is important to any woman facing a "difficult" pregnancy.

Hours at the Center are Mon. thru Fri., 1:00 to 5:00 p.m.; Saturdays, evenings, or mornings by appointment.

The Center is located on the corner of I-75 & West M-72, in Grayling, upstairs from the Parlor. For more information call 348-4151.

**Road Commission Minutes**

June 28, 1985

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Parker presiding. In attendance were Commissioners Grover Cason and Gloria Kraus, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of June 14, 1985 were read. Commissioner Kraus made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved. Payroll Voucher Number 13 in the amount of \$23,332.30 and Material checks 9385 through 9436 in the amount of \$196,635.67 were presented to the Board for approval of payment. Commissioner Cason made a motion to accept the vouchers, seconded by Commissioner Kraus.

A decision was made on the Underbody Blades that bids were taken June 14, 1985 and the Bid was awarded to Paper Calhenson.

We, the Board of County Road Commissioners of Crawford County, do hereby request reimbursement in the amount of \$10,000.00 (not to exceed \$10,000.00) for payments made during the period of July 1, 1984 - June 30, 1985 to licensed professional engineers employed or retained by this Commission, in accordance with the following:

Section 12 (2) of Act 51, as amended.

"Each county road commission shall be reimbursed in an amount up to \$10,000.00 per year for the sum paid to a licensed professional engineer employed or retained by the county road commission in the previous year. The sum shall be returned to each county road commission certified by the state transportation department as complying with this subsection regarding the employment of an engineer."

We further state that, if we do not have a licensed professional engineer in our employ, copies of billings are enclosed with the completed form justifying the payment.

Permits that were received were reviewed and signed at this time. Consumers Power Company to place underground service in Roberta Drive in South Branch Township and General Telephone Company to bury cable under North Down River Road in Grayling Township.

Engineer-Manager Keir informed the Board of receiving written permission for a portion of Roy-L Estates for right-of-way. A hearing for road improvements in South Branch Township is being held July 9, 1985. Mr. Keir also distributed copies of correspondence from a resident on Hillis Drive. Information was received regarding the results of the 1982 State Audit.

Andie Neilson, Chairman of Roads & Bridges, appeared before the Board regarding Fletcher Road.

Discussion was held on the current status of the various road projects underway.

There being no further business before the Board, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

# AJD Forest Products is Picked As Dow Corning's Top Vendor

AWARD PRESENTED TO AJD — (L to R) Al Quall, president of AJD Forest Products, Inc., Dick Hazleton, Dow Corning's Midland Plant manager; Jess Birtcher, general manager for AJD; and Dave Stephenson, Plant Superintendent for AJD, participated in the awards ceremony.

AJD Forest Products, Inc., Grayling, has been selected "1984 Vendor Of The Year" by Dow Corning's Midland Plant for outstanding services. In 1981, Dow Corning established the program to recognize the top suppliers from the hundreds of companies that sell products and services to the Midland Plant.

The award was presented by Richard A. Hazleton, Midland Plant Manager, to Al Quall, President, Jess Birtcher, General Manager and Dave Stephenson, Plant Superintendent of AJD Forest Products at a recognition luncheon held recently.

During 1984, AJD made over 3,000 truckloads of wood fuel to Dow Corning's Midland Cogeneration Plant. Hazleton praised the organization for its dependable delivery system, maintaining good quality wood fuel, excellent advice and competitive prices.

Hazleton commented, "Out of the thousands of truckloads of wood fuel purchased from the wood industry in 1984, there was always a dedicated effort by AJD to meet the various delivery challenge throughout the year which speaks very well for their organization."

He added, "The high quality service that AJD provides Dow Corning helps us to be more efficient and effective as a major manufacturer of silicones in Michigan."

# New Milltown 10K Record Set

A new course record of 31 minutes, 26 seconds was set in the Sixth Annual Milltown 10K Run held Saturday in Grayling by Vincent Sheehan of Shiprock, New Mexico. His time was one minute and 18 seconds faster than the previous record held by Dan Ebright of Suttons Bay set in 1983.

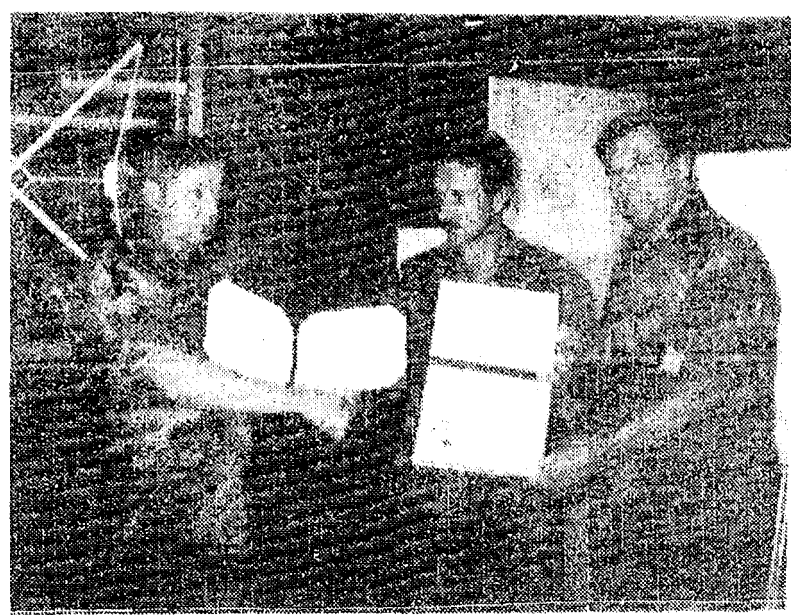

Gina Medley of Grayling won the Women's Division turning in a time of 43 minutes, five seconds. Gina won first overall in the Women's, first woman from Crawford County and first in the 16 to 18 year olds. She finished thirty-fourth overall in the race.

Other outstanding runners from Grayling were Larry Yoder winning first in the 45 to 49 year-olds and 14th overall.

all. Larry turned in a time of 39 minutes, fifteen seconds. Jerry LaMotte finished twenty-ninth overall and won first in the 50 to 55 year-olds with a time of 42 minutes, sixteen seconds. Joe LaGrow won the 16 to 18 year-old class a time of 51 minutes, 22 seconds.

One hundred and seven entries were received for the 10K event, with 98 runners finishing the course. According to Deryl Holmes, race coordinator and director of public relations at Mercy Hospital, the race was one of the most successful to date.

"We had excellent representation from all over the state and many entries from outside the state. Thanks to the sponsorship of Chemical Bank North, over

# Kid's Theatre

The nineteen students from grades two to eight who have been involved in Crawford AuSable Kid's Theatre under the direction of Phyllis Wadsworth are happy to present two productions on both Aug. 2 and 3 at Joseph Stripe Auditorium at 8 p.m.

The first will be a play entitled "Once Upon a Shoe". The second will be a musical entitled "Monster: The Beast Things in Life." The students who have been working together since June have been responsible for sets, props, and costumes.

Tickets will be \$2 per person and will be available at the door. Children under five are free.

Come and enjoy an evening of lighthearted entertainment and encourage youth theatre in Grayling.

The other day I tried to remove an encroaching staghorn sumac plant from the garden and soon discovered that it grows from a long, long root. I'm sure this will be a continuing struggle as nature tries to reclaim what I've cleared. The staghorn sumac is a native of this country and may be found from Nova Scotia to Alabama and westward to Iowa. One source I have, rates it as a tree which may grow to forty feet in height and attain a diameter of twelve inches. Very frankly, I've never found a specimen much over ten feet tall. The globular fruits are formed into clusters turning from green to red and forming a compact mass when mature. Those fruits make a delicious lemonade if bruised, then boiled in water, then straining the liquid & sweetening to taste. For a beekeeper the dried fruit mass makes an excellent smudge to be used in a smoker when working with bees. The stems of the sumac have a large pithy center which may be removed with a wire. The branch may then be used as a stem for a pipe. The wood is soft, weighing only twenty-seven pounds per cubic foot, it is greenish-gold or brown in color. While it may not have a commercial use the wood makes excellent picture frames since it needs no finish to look nice. While we may consider it to be a weed, the fruits are eaten by many birds and animals.

## 1985 Milltown Events

Dave Shepherd of Grayling races down the steep portage at Five Channels Dam with partner Rick Joy.

Butch and Brett Stockton paddled through choppy water and a strong wind behind Foote Dam to increase their lead.

An amateur team runs down the Alcona Dam portage.

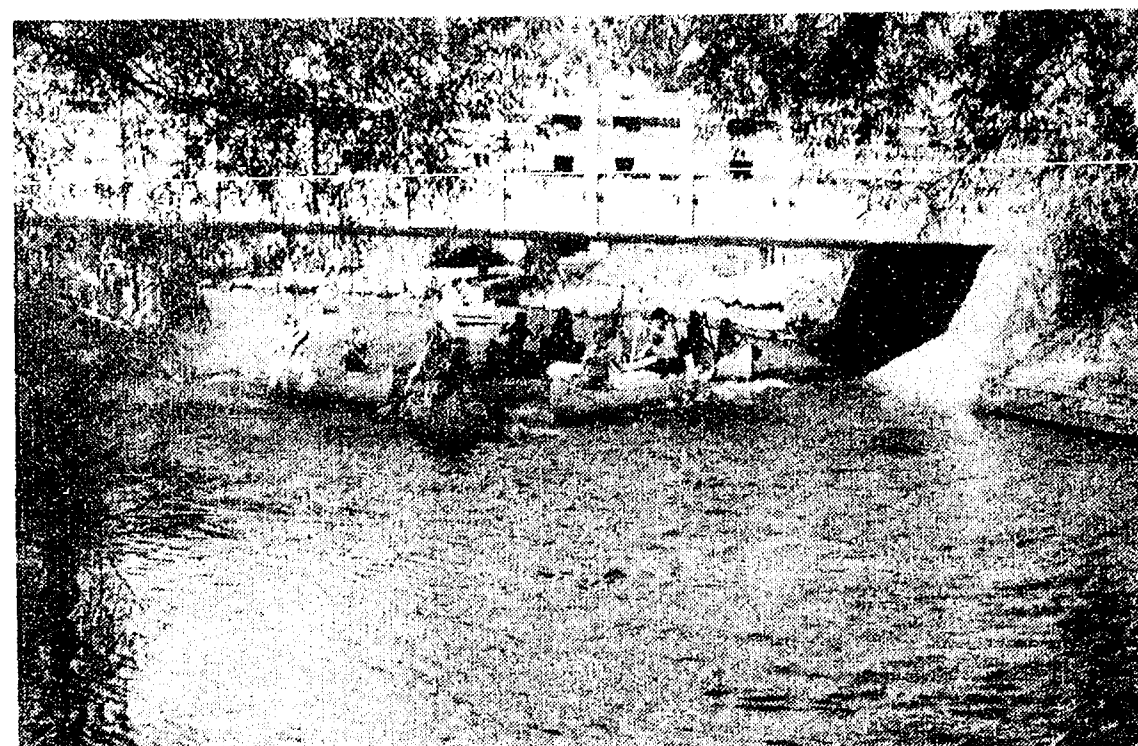

Jim & Minard Harwood of Grayling took sixth in marathon.

Bill & David Martella of Grayling also beat the river this year finishing 8th

Terry Norman and Jeff Kea of Grayling hung tough to finish in their 1st marathon.

The Jr. Marathon start was crowded Friday.

The Rotary Precision Drill Team won the most laughs in the Saturday parade. Mike Branch is the drum major and Irv McIsaac has the bull horn.

Marcie Fallon and Katie Olson ride in the children's parade.

### Milltown Parade Winners

Grayling Mercy Hospital won the best overall float award in the Milltown Saturday parade. The Grayling Health Care Center won the best service club and business award. The Lion and Lioness Clubs won the best festival float award. A fireman's memorial float from Prudenville won the farthest entry award and the 4-H Rabbit Club won the best children's float.

During the Milltown 50-50 drawing, five persons won \$100 checks — Jinx Parkinson, of Grayling, Ken Davis, of Grayling, Marl Heffe, of Plymouth, Larry Root, of Drayton Plains, and Sue Watton, of Sterling Heights.

## AuSable Marathon

(Continued From Page 1)

Four pro teams did not finish the grueling test. Six out of thirteen amateur teams finished the endurance race.

John Nemeth, 44, of Burton, and Kim David, 30, of Vassar, took first place with a time of 15:43:45 - which would have been good enough for a fifth place finish in the pro division. With the one hour head start given to the amateur teams, Nemeth and David led all racers downstream for most of the race. They were finally overtaken by the Stocktons when a stiff wind on the backwaters behind Foote Dam knocked them a little off course.

Despite the wind which may have cost them four to five minutes, Nemeth and David smashed the previous amateur record by more than 12 minutes.

Ken Witte, 31, of Mt. Clemens, and Ernest Theisen, 27, of Britton, took second with 16:19:14.

Bill and Dave Torongo, 23 and 25, of Roscommon, took third at 16:59:59. Dan Nichol, 18, of Port Huron, and Mike Johnston, 38, of Memphis, Michigan, took fourth at 17:08:04.

Mike Stack and Ron Lauber, of Oscoda, took fifth at 18:00:04. Jack and Chuck Wright, 26 and 28, of Belding took sixth at 18:14:54.

The race sponsored by Budweiser and the communities of Grayling and Oscoda drew a crew of about 5,000 at the LeMans start in Grayling. Steve Southard, chairman of the 1986 marathon, said the race is growing and more persons from Grayling are needed to help at the start of the event.

In preliminary races before the marathon, Steve Landick, of Lansing, won

the C-1 race to Stephan's. Roxanne Barton, of Homer, placed second and Dave Recverts, of Onondaga, took third.

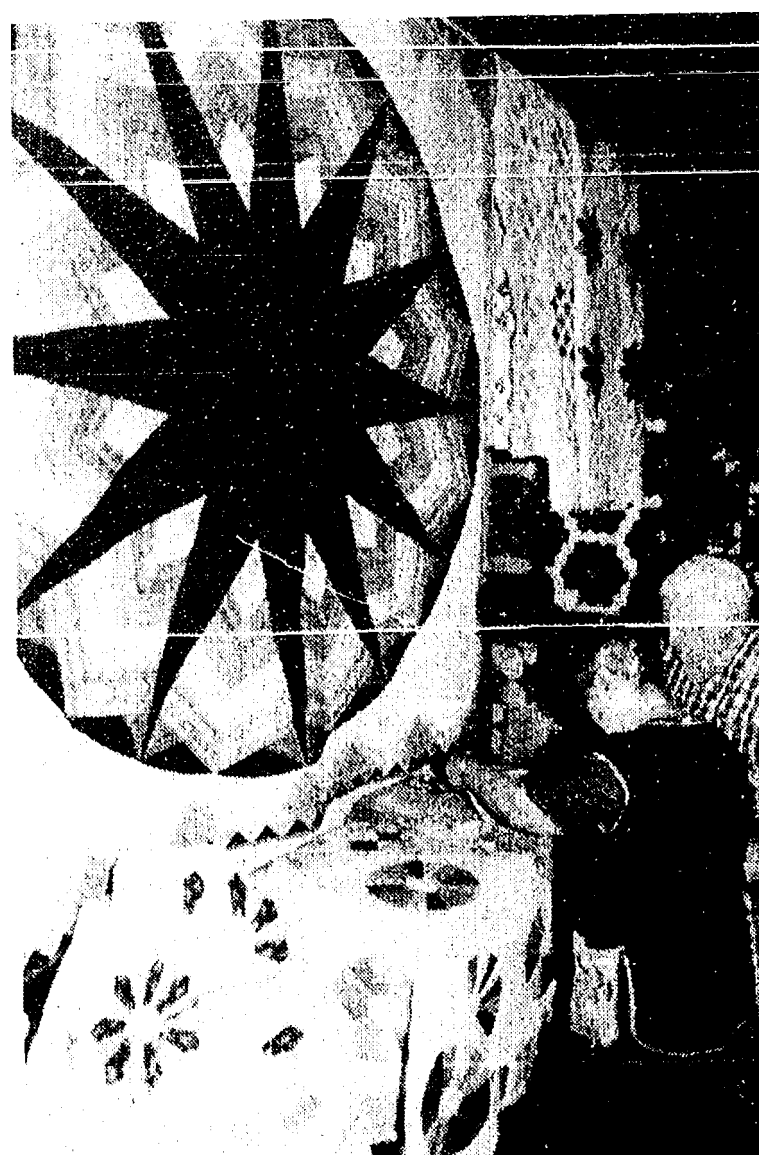

In the standard class, Ron Falk, of Ruby, and Steve Sella, of Unionville, took first. Bill Fick, of Blissfield, and Doug Spalding, of Dundee, took second and Spencer Kent, of Dryden, and Rick Turonek, of Lapeer, took third.

In the pleasure class, Troy Leslie and Pat Smith, of Mio, won. John Kasik and Don Babcock, of Roscommon, took second. John Scofield and Joe Mance, of Beaverton, took second.

In the junior marathon held Friday, Brian Diercks and Pat Bailey won the 15-17 age race in the one hour, 48 minutes, 15 seconds. Brian Lichlyter and Eric DeMoines took second with 2:09:43. They raced from Grayling in front of the Carlisle Canoe and Borchers Canoe liveries to Stephan Bridge 17 miles downstream.

Derrick Christman and Bud Ostrowski won the 13-14 age race to Louie's Landing with a time of 1:11:55. Brian Palmer and Eric Swander took second with 1:13:08. Chad Flowers and Brian Kernstock took third with 1:13:24, and Todd VanDeVen and Tim Perrie took fourth with 1:17:55.

Tony DiPonio and Denny Springer took first in the 11-12 age race to Louie's with a time of 1:21:55. Tim Hough and Chris Lehti took second with 1:25:53. Paul Foust and Jon Foust took third with 1:29:24. Kris Lussenden and Bob Lussenden took fourth with 1:52:08. Eric Elliott and Doug Lichlyter took fifth with 1:58:52, and Shannon and Tara Adams took sixth with 2:27:04.

One of the best quilt shows in Michigan was held at the Icehouse.

## Grayling Little League Express Derailed 6-3

The Grayling All-Star Little League team lost a close 6-3 game against Cheboygan in the semi-finals Friday. The squad had won three straight games to advance to the semi-finals.

Grayling started out on the wrong foot as two walks and an error let two Cheboygan runners in during the first inning.

In the bottom half of the first after two strikeouts, Mike Tremblay reached base on a walk. Bobby Harris singled and then with

runners on first and second, Joey Anteau delivered a single. On a close play at the plate, Tremblay was called out. Grayling protested the call, but the call stood and the Grayling rally was cut off.

Two singles, a walk, and a double drove in three runs for Cheboygan in the second to give them a 5-0 lead.

In the second, Grayling again threatened. Todd Millikin and Shane Fraser walked but were left on base. Grayling pitcher John Jur-

kovich struck out the side in the third and set Cheboygan down in order in the fourth and fifth.

Grayling also went down in order in the third and fourth but they broke loose in the fifth — their lucky inning this year in the tournament.

Jurkovich and Fraser opened the inning with walks and Max Prosser drove them in with a single. After a strikeout, Tremblay walked to put two runners aboard. Another strikeout followed but then Anteau hit a groundball that was misplayed by the second baseman. Prosser scored on the error to tighten the game to 5-3. The rally ended with a strikeout with two runners still on base.

In the sixth, Cheboygan scored again on a walk, single, and double. Grayling got a walk from Jurkovich in the sixth but that was it.

### To Compile History of Mercy Hospital

A history of Mercy Hospital, Grayling, Michigan is being written by staff personnel at the hospital in recognition of 75 years of service to the Grayling, Roscommon, and Houghton Lake areas. Information is being gathered by the public relations office and the book is expected to be published later this year.

Deryl Holmes, director of public relations at Mercy, is seeking any photographs, articles, personal experiences or letters concerning Mercy Hospital and its history; especially between the years of 1911 and 1957. If anyone has information they think might be helpful, please contact the public relations office at 348-5461, extension 368.

### Bits O'Talk

A surprise birthday was held in honor of Jeri Golinick's 50th birthday on July 25th at her home on Clyde Street. Friends and relatives helping to celebrate the occasion were her husband, Bob; daughter, Jenelle and her husband, Greg; son, Jim; Marilyn Hanson; Ron & Julie Hinds; Ed & Bonnie Kucharek; Joe & Barb White; Jan, Cragg, & Ruth Golinick. A steak dinner complete with cake was served.

There are new baby Ducks, Chickens & Lambs at Hillside Farms. Come out & visit. 348-9467.

Sandy Luter and son, Andrew, of Parker, Colo., and his friend, Dale Chandler, of Clarkston, arrived the first of last week to visit her mother, Eva Strong. They all went down river and spent overnight with her brother, Bob and Mickey Strong, and Beth. Andrew and Dale enjoyed a couple of canoe trips while there.

Sandy and Andrew had stopped in Kalamazoo on the way here to see her new granddaughter, Erin Luter. The Rev. and Mrs. Hollie M. Luter of Freeport are also Erin's great-grandparents. Through no fault of the Avalanche, this fact was omitted in last week's birth announcement. Sandy was also pleased to have a visit with Nancy Cox, who showed her pictures of their class reunion which she was unable to attend.

There's no charge to pet the animals at Hillside Farms, 348-9467.

Weekend guests of Mickey and Bob Strong and Beth, at the cabin, were Chris Zolierok of Battle Creek, and John Campbell of Alpena.

Hillside Farms is a fun place to visit, 348-9467. Mr. John Keating of Marquette, Mi. joined his parents Mr. and Mrs. James Keating Sr. at the home of Mrs. Donald Bentley with a surprise visit to help celebrate his brother James' birthday.

Hillside Farms has new potatoes freshly dug or corn just picked & much more, 348-9467.

### State Retirees To Meet

Chapter #19, State Employee Retirees Association, will hold their annual picnic on August 6, beginning at 1 p.m., at the little park behind the Houghton Lake Community Center. Each person attending should bring a dish to pass and your own table service. The chapter will furnish Kentucky Fried Chicken, coffee, and iced tea. In case of inclement weather, we will eat inside the building.

### Crawford County Collision Offers Rustproofing

Protective coatings for new and used vehicles have become a way of life for car and truck owners wanting to ensure the longevity of their purchases and protect their investments.

Now there is a product available in Grayling that promises to raise the level of new and used auto body protection to an all time high.

It's called Cladiator. Cladiator has established a name for itself in the automotive industry, by having products that are superior in corrosion protection. Cladiator has products approved and used by Fruehauf Corporation, a nationally recognized truck trailer manufacturer. Cladiator also has products being tested and used by major automobile manufacturers in the U.S. and Canada.

Crawford County Collision of Grayling is a full service collision shop with expert rust repair, auto body bumping, and painting services available. They are proud to offer Cladiator new and used vehicle rust protection.

The new car rustproofing comes with an 8 year warranty that is transferable, and has no mileage restrictions.

The used car rustproofing has a one year warranty. Also available is the Ultra Exterior Paint and Interior Fabric protection.

With owners keeping their cars and trucks longer plus the high cost of replacing a car or truck, it makes good economic sense to maintain the value of your vehicle with Cladiator Rustproofing.

### Par For The Course

By Fay

It was Christmas in July when the Grayling Golf Club's Wednesday morning Auxiliary entertained the Gaylord Women following a tradition of many years.

The annual Grayling-Gaylord Day was held July 24, 1985, starting with morning coffee and donuts in the clubhouse which was completely decorated for Christmas with trees, wreaths, Christmas gifts, stockings, Christmas napkins and tablecloths. Even the Grayling women added to the decor with their green and red attire. A total surprise, even to the decorating committee, came on #8 tee which was decorated with gold rope and ornaments on trees and raspberry bushes. (The two decorators, from the men's league, shall remain nameless! But fellows, the women did enjoy it!)

Following the round of golf, which unfortunately for the Grayling women, meant losing the trophy again that Gaylord has held for the past year, a social hour was held with punch and hors d'oeuvres. A delicious buffet luncheon of chicken salad, rolls, brownies, and fresh fruit was prepared by the club staff.

Prizes were awarded to the following Gaylord women, B. Otto, low gross, D. Shepherd, low net, E. Hird, closest to the pin on #8, M. Beauchamp, closest to the pin on second shot on #2, and M. Hancock, longest drive on #5. Grayling women winning were C. Thompson, low gross, Jeanne Thompson over D. Birtcher in a draw for low net, M. Walker, closest to the pin on #8, C. Thompson, closest to the pin on second shot on #2, and M.J. Knibbs, longest drive on #5. Three Gaylord women also received a door prize which they had to locate by unwrapping the decorated Christmas boxes.

About 70 women enjoyed the beautiful weather and the day of renewing acquaintances. Next year, the Gaylord women will host the group.

### Editor's Mailbox

July 20, 1985

Whitey, This is a letter about the 'Veterans Eternal Flame' and being able to keep it burning.

Last fall (84) I wrote a Letter to the Editor about the flame and received enough of a response to prompt me to contact Mich Con and get the flame burning.

The flame began burning again on Veterans Day (84) and has every day since, but I don't know how much longer it will continue to burn. Mich Con has been very helpful and understanding as far as the billing goes and I have paid approximately \$500.00 since November towards the bill on the flame. I can't do it by myself any longer, I need help, the burden is becoming too much. I need the help of individuals, of service clubs, etc.

I did apply for and received a Federal ID# of 38-2586022 for the "Crawford County Veterans Eternal Flame Fund". The monthly charge is about \$86.00, so please help me keep the Flame Burning and send checks or money orders (cash also accepted) to the following:

Crawford Co. Veterans Eternal Flame Fund, Attn: Paul Smith, c/o Crawford County Sheriff Dept., 200 W. Michigan Ave., Grayling, Mi. 49738.

A receipt will be returned for your records and tax purposes, remember to make checks or money orders out to the Crawford County Veterans Eternal Flame Fund.

Thank you, Paul Smith

### CARD OF THANKS

We would like to thank Dr. Ramaswamy and the nurses at Mercy Hospital for the wonderful care they gave my husband, also Dr. Henig and Marie Mahaney for their care over the year, and Father Fischer for his service.

Mrs. Andrew McGuire & Family

### Alumni News

The first membership of '85 belongs to Fern Hum Myers, '23, of San Francisco, California. She sends greetings to her friends here in Grayling, telling us that eye surgery has kept her down for awhile.

Our hats off to the young people who participated in the Milltown Parade on Saturday as the little band with the green shirts. We lack the "sound of music" when we watch our parades.

Howard Madsen, '67, was named State Class "C" Baseball Coach of the Year...one of my neighborhood kids...has made us proud to recognize him as an outstanding G.H.S. Alumnus. We have had a lot of them. We are very certain that our teachers have a great impact.

Our annual letters are going out this week to all Classes through 1964. Only those complete with addresses are mailed out. However...we invite any person graduated from our High School to attend the Annual Alumni Homecoming on Saturday, September 7...just address a request to the Alumni Office, 403 Mich. Ave., Grayling, Mi 49738.

Congratulations to all those classes who have had reunions this summer. Don't miss any of them if you can help it.

Next week I will start on the Anniversary Classes.

I had a phone call from Evelyn Thieme Schmidt, Racine, Wisc. and she cannot be here for Homecoming...says she celebrated her 77th birthday on July 25th and doesn't do much traveling...our Class of '35 had hoped we could have her with us...she was our Home Ec teacher. Remember?

## 9 POINTS TO PROTECT YOUR CAR

**RUST ARRESTOR IS SPECIFICALLY FORMULATED TO INHIBIT RUST.**

Rust Arrestor requires that rust is present on metal to work most effectively.

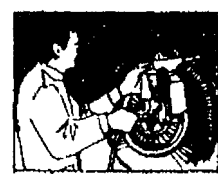

Unlike new cars that have metal that is non-porous and relatively free of rust, used vehicles have rust present.

Rust Arrestor is formulated to produce capillary action when sprayed on your used vehicle. It creeps into all cracks and crevices where rust is present, using the rust like a sponge to soak up its corrosion inhibitor and penetrate through to the original metal to inhibit further rust.

Today most car owners do not trade their vehicles as often as was the practice in the past, due to the high cost of new vehicles and financing. It is wise to maintain the value of your car.

Protect Your Investment

Have your authorized dealer apply rust arrestor to your used vehicle. It works!

## Chamber Chatter

By Terry Wright

Now that the Grayling Milltown Festival is a pleasant memory, it is time for our area to focus our attention on the upcoming "Frederic Days" celebration. The fun begins Saturday, August 3 at 11:00 a.m., at the Frederic Park. A fine program of activities is planned for all age groups and our entire area citizenry should show up to enjoy them.

Our congratulations go to Jerry Graham this week for reopening the AuSable Hotel and Tavern in Frederic. We wish Jerry all the best.

In Lovells, Bruce Armstrong has opened Armstrong's Hardware again. We wish Bruce all the best also.

The Chamber is busy now preparing a booth for the upcoming fair. We hope to have a dynamite display of slides of the area for the fair-goers to enjoy.

The Chamber float continues to receive awards. The President's Trophy was presented to us after our appearance in this year's Cherry Festival, Cherry Royale Parade. A beautiful new plaque is now on display in our office.

At the Alpenfest Parade in Gaylord our float won second place in the non-commercial, homemade category.

This week we welcome into membership, Warblers Way Inn, purchased by Tim & Ellie Smith. The Inn was the former Forbes Motel. Welcome aboard Tim & Ellie.

Magnificent tapestries, sometimes taking years to complete, decorated the walls of many homes and churches in the Middle Ages. Woven with richly colored strands of silk and wool, they often pictured scenes from the Bible. To create a beautiful tapestry required patience... skill... devotion.

Today each of us weaves a tapestry — the fabric of our lives. We sit at a loom, wondering whether the pattern of our lives will be of bright rose, green or golden threads, or whether the events will show as somber, dark colors.

A weaver in the Middle Ages worked on the reverse side of his tapestry. By looking up at a mirror, he could see how the entire design looked on the right side.

When we look up to God in worship, we can see with clarity the pattern of our lives. Attend the church or synagogue of your choice for perspective on your life's tapestry.

## Caution in Hot Summer Weather is Advisable

During these lazy, hazy days of summer, older adults should enjoy the weather but take extra caution. Heat stroke is an emergency condition that can be caused by high, humid summer temperatures and exertion.

People over age 60 are especially vulnerable to heat attacks. Females are at a higher risk than males.

Doctors define heat stroke as a condition in which the body's temperature regulating mechanisms cease to function normally. Basically, the body stops sweating. Body temperatures rise from 105 to 110 degrees F. A redness of skin from an accumulation of blood occurs.

Heat stroke is not to be confused with heat exhaustion or heat prostration where the body temperatures remain normal. With heat stroke, a loss of salt and fluid allows perspiration to evaporate and the body's cooling system breaks down. The noticeable decrease in sweating causes the body temperatures to climb dangerously. Severe headache, nausea and vomiting are other symptoms that can appear.

Keeping cool is the most effective way to beat the heat. Avoid unnecessary physical exertion when the weather's especially hot and humid. Increase your liquid consumption. Drink plenty of sparkling water and cool beverages like iced teas and fruit juices.

Doctors recommend that alcoholic beverages be consumed sparingly. Eat small light servings of food several times a day rather than one or two heavy meals to maintain proper nutrients.

White and light-colored, loose fitting clothes are not only fashionable but practical because they reflect the sun's rays rather than absorb them, and air is permitted to circulate over the body more freely.

Shopping trips or other

outing should occur at a leisurely pace to allow for adequate rest periods. If out of doors, select a shady, dry spot to relax and prop up your feet. At the first sign of heat exhaustion, moving to a cool, dry place is advisable.

Heat stroke, if left untreated, can cause permanent damage to the liver, kidneys and brain. In extreme cases, it can be fatal. The best prevention is to take it easy. Live and eat in moderation during the hot but all too brief summer-time.

## 1985-86 Crawford AuSable School Dist. Calendars Available

The 1985-86 school calendars were mailed Friday, July 26, to all parents of school children, school staff, members of the Grayling Regional Chamber of Commerce, governmental officials and agencies, service clubs and area churches. Persons not receiving a calendar or organizations needing additional copies may pick up calendars in the district central office building at 403 Michigan Avenue. The 1984-85 calendar was awarded a National School Public Relations Association Golden Achievement Award in recognition of exemplary public relations activity.

## Ohio Guard Band Plays Here

The Ohio National Guard Band have four more concert dates in the Grayling area. Friday, August 2, the band plays at the Mercy Hospital Extended Care facility at 3:30 p.m. Later that day at 7 p.m. they play in Frederic. On Wednesday, August 7, they play at the Grayling Housing project on Lawndale at 5 p.m. On Thursday, August 8, they perform on the Grayling State Bank lawn at 3 p.m. The band performed July 29 at the Grayling Health Care Center and entertained at Ray's before the marathon.

## CARD OF THANKS

I want to thank all of you who offered your support to me and my family during my recent hospitalization through your flowers, cards, prayers, and visits.

The excellent care provided by Drs. Rosti and Ramaswamy and all the nurses and employees of Mercy Hospital are also much appreciated.

It is times like this that I realize the sense of community feeling in Grayling. God bless you all.

Jerry Morford

## Finish 30 Years As Club Caretakers
